

All-Inclusive Program 2025

The All-Inclusive program at the Sunrise Hotel Complex focuses on children. Professional animators with experience working with kids have developed games, activities, and entertainment to help develop their skills, encourage communication, and ensure they have a great time.

Check the information board next to the reception to find out the schedule for children's animation during your stay at Hotel Sunrise. If you have additional questions, the reception staff is available to assist you.

While the children are having fun, adults can relax with a drink by the pool.
